

The Worcester Greenstar CDi Classic combi

Why install a Greenstar CDi Classic combi?

- ▶ Highest hot water flow rate of the Greenstar combi wall mounted range
- ▶ Instantaneous hot water, always available
- ▶ Larger two bathroom properties can be supplied by higher output options
- ▶ Wide choice of controls enables greater comfort and economy
- ▶ Low energy pump reduces electrical usage
- ▶ Inbuilt keyless filling link makes it easy to refill your system if needed

Boiler dimensions

The Greenstar CDi range is the perfect size to fit between your wall-mounted kitchen cupboards.

Know your system

Combination, or 'combi' boilers, heat water directly from the mains when you turn on a tap, so you won't need a hot water storage cylinder or a cold water storage tank.
